Sir:

REQUEST FOR SUBSTITUTION OF CORRECTED TRANSLATION

Applicants submit a corrected English-language translation for the above-identified application filed on June 24, 2005.

In the original translation filed on June 24, 2005, applicants inadvertently submitted an English-language translation which omitted Table 1 from the last page (page 9) of the text of the specification prior to claims page 10. Table 1 is submitted in the corrected translation as page 9.1.

Except for Table 1, the text of the corrected English-language translation submitted herewith is identical to the text of the English-language translation filed on June 24, 2005.

It is respectfully submitted that no new matter enters by this amendment. On June 24, 2005, applicants filed a copy of the WIPO publication, WO 2004/059015 A1, when they entered the national phase. Table 1 was included on page 7, the last page of the text of the specification before claims page 8, of the WIPO publication. It can be clearly seen from an examination of the data, that the data in Table 1 of the corrected translation enclosed herewith, is identical to the data in Table 1 of the WIPO publication filed with the application.

In view of the foregoing, it is respectfully requested that the corrected translation containing Table 1 be substituted for the English-language translation filed on June 24, 2005, and that the corrected translation be examined by the Examiner.

If there are any fees required for the filing of this corrected translation, including any surcharge fees or extension of time fees, authorization is hereby given to charge the additional fees to Deposit Account No. 06-0916. If an extension of time is required for the filing of this request, this is a request therefor, and please charge the fee to the above deposit account.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
